# Highlights

## 100% Ceramic Grinders

Our ceramic grinders never overheat, ensuring perfect grinding, long-lasting performance and totally silent operation

## Adjustable grinder granularity

8 grinder settings from the finest to a very rough grind.

## Memo function

You will always get a perfect cup brewed just for you, according to your personal preference, thanks to our Memo function with adjustable length, strength and temperature. Pressing a button is all you'll need to do to enjoy a superb beverage in your favourite cup.

## One-click removable group

The brewing group – a Saeco invention - is the heart of our machines, ensuring that the machine makes everything on its own. Thanks to its easy access, you can effortlessly remove it for regular cleaning with just one click.

## Fully automated dual cleaning

Two independent steam cycles ensure a fully automated deep clean after every beverage.

## Auto-cleaning and descaling

Saeco designed this espresso machine to automatically clean its coffee circuit with water when starting up or switching off to deliver a great, fresh taste with each cup of coffee.

Regular descaling prolongs your espresso machine's life. This machine will not only prompt when descaling is needed, the automated descaling process will start and guide you with clear on-screen messages when you have to intervene. Descaling has never been so easy!

## Double boiler

Optimal conditions for everything: two independent circuits ensure quick and convenient coffee preparation straight after frothing the milk.
